LH does not mean every listed length.

Read the hand and length fields together.
LH = left-handed. RH = right-handed.

Wilson Infinite Buckingham

Named head · combined men/women source listing
Secondary catalog evidence · not independently corroborated

Listed hands	**RH, LH**
Combined lengths	**33, 34, 35 in**
Explicit LH scope	**34, 35 in only**
Separate women's build	**33 in · RH only**

Do not multiply the lists.

Separate hand and length lists do not confirm every hand × length combination. Without an explicit hand-specific scope, those combinations remain unconfirmed—not unavailable.

The 33-inch women's build above is RH-only in this source listing. It is not evidence for a 33-inch LH build, every edition, custom option or current stock. An individual club needs its own build evidence.
