HYPOTHETICAL FILLED EXAMPLE

Used-listing research worksheet

Hypothetical example — not a real listing or inspected club.
Seller wording and open questions are illustrative; the cited maker facts are real.

01 Listing identity · copy the seller's wording

Exact maker
Scotty Cameron (hypothetical claim)

Exact model
"Studio Stainless Newport GSS, 34-inch"

Edition / year as listed
Not stated; 2002 vs 2005 remains unresolved

Full suffix / configuration code
Newport; no further configuration stated

Listing URL / listing ID
Not applicable — no real listing or seller

Date viewed
Not applicable — hypothetical

02 Seller statements · reported build, not established fact

Record handedness, length + units, neck / shaft, grip and any reported alterations.

Hypothetical claim: "34-inch." No measured length supplied.

Handedness, shaft, grip and alteration history: not stated in this scenario.

Seller's support for edition / history / changes
None supplied in this scenario; request edition evidence and service records.

03 Documented specifications · keep the source with the claim

Source title / publisher
[A] Newport 2005 / [B] Newport 2002 · Scotty Cameron archives

Date published / viewed
Viewed 18 Nov 2026; years 2005 / 2002

Source URL · exact edition / region if stated
[A] https://www.scottycameron.com/archives/putters/2005/studio-style/newport/
[B] https://www.scottycameron.com/archives/putters/2002/studio-stainless/newport/

Source type: [A] + [B] manufacturer documentation · not seller measurements

Relevant specs + units · stock options are not measurements of this used club
[A] 2005 Studio Style Newport: 303 stainless steel + GSS (German Stainless Steel) inlay, attached with screws and polymer; listed length 35 inches; head weight 330 g.

[B] 2002 Studio Stainless Newport: milled 303 stainless steel; listed length 35 inches. Head weight not listed in this entry. Do not transfer [A]'s 330 g to [B] or this club.

04 Photo requests · all unticked = not requested in this scenario

- ☐ **Face:** straight-on, milling / insert visible
- ☐ **Cavity / back:** all markings in focus
- ☐ **Sole:** whole sole, markings and weights
- ☐ **Connection:** side-on, lower shaft + full neck

If obscured, request the opposite side. Ordinary photos do not measure toe hang.

Requested on / missing views / follow-up · hypothetical
Not yet requested in this scenario; all four views above are still needed.

05 Personal observations · discrepancies & unresolved questions

What you see · cite the photo or measurement; separate it from seller claims
No actual photos or measurements inspected; no individual-club observations recorded.

Mismatch with the source / unknowns / next question to ask
Title mixes "Studio Stainless" and "GSS"; family/edition is unresolved. Request readable markings.

Ask how 34 inches was measured; any shortening, reshafting or other work? Request records.
